During one application cycle **within the bilateral state scholarship programme**, further to an application for research, applicants may submit another application for partial/semester studies or for a summer course. Only two scholarships can be granted, in case they do not overlap in time and if the budget makes it possible.

In case of receiving any **other simultaneous scholarships also granted by Tempus Public Foundation**, applicants are not eligible for the bilateral state scholarship.

Scholarship-holders must stay in Hungary during the entire period of their research, excluding public holidays.

Utilization period

Scholarships have to be implemented during the academic year 2019/2020. The scholarship period can be started at the earliest on 1 September 2019 and must be finished by 31 July 2020 at the latest.

Postponement

The granted scholarship can only be used within the utilization period indicated in the call, so it cannot be postponed to the following academic year.

To modify the starting date within the utilization period can be arranged after receiving the consent of the host institution under the condition that the scholarship holder informs via e-mail Tempus Public Foundation through its bilateral state scholarships officer (see Tempus Public Foundation's contact persons according to the countries of origin here: <https://tka.hu/getDoc.php?doc=3839cd4b264282cc10ed70d8d315c59ad6f0067f>).

Resignation

In case the applicant cannot or do not want to use the scholarship within the period approved by the decision of Tempus Public Foundation, a new application for the following academic year has to be submitted. The applicant is requested to inform his/her Tempus Public Foundation through its bilateral state scholarships officer by email, as well as the host and sending home institution, without delay (see Tempus Public Foundation's contact persons according to the countries of origin here: <https://tka.hu/getDoc.php?doc=3839cd4b264282cc10ed70d8d315c59ad6f0067f>). In case of nomination, the national office responsible for scholarship grants needs to be informed as well.

Vis maior

The scholarship holder is entitled to interrupt/finish the scholarship due to a vis maior situation occurring during his/her scholarship period. In this case, the scholarship holder has to inform his/her Tempus Public Foundation bilateral state scholarships officer by email, as well as the host institution, without delay (see Tempus Public Foundation's contact persons according to the countries of origin here: <https://tka.hu/getDoc.php?doc=3839cd4b264282cc10ed70d8d315c59ad6f0067f>).

FURTHER INFORMATION ON FINANCIAL PROVISIONS

State scholarships cannot be awarded at the same time with **any scholarships granted in parallel** by the Hungarian state.

In case scholarship holders are granted another scholarship or get any other financial support (wage) for the same scholarship period, they must withdraw their state scholarship.

The scholarship is meant to contribute to the living expenses of only one person, it does not necessarily cover all expenses during the scholarship period. There is no financial support for visa fees and any allowance for accompanying persons. Payment of the stipend will not be effectuated immediately upon arrival to Hungary. Therefore scholarship holders are advised to have a sufficient amount of money to cover their living costs for at least one month in Hungary. In case of one-month or shorter stays, it is possible that their stipend may be transferred only a few days before – or after - leaving Hungary. Apart from the above-mentioned costs, Tempus Public Foundation cannot ensure any other allowance or support.

Travel expenses

Travel expenses to Hungary, within Hungary and back to the country of origin are not covered by Tempus Public Foundation.

Entitlement to Healthcare Services

According to the rules of the European Parliament and Council Regulations 883/2004 (EC) and 987/2009 (EC), scholarship-holders who are citizens of either the European Union, EEA member countries or Switzerland are entitled to healthcare services in medical necessity during their stay in Hungary.

Healthcare services in medical necessity during their stay in Hungary are available for scholarship-holders with the European Health Insurance Card (E111). Medical necessity is determined by the physician who considers the given circumstances. Scholarship-holders should obtain the European Health Insurance Card in their home country prior to the arrival to Hungary.

Further important information: healthcare services can only be provided – according to the equal treatment principle of the European Union - by those healthcare providers that have contractual relations with the National Health Insurance Fund (NEAK). The scholarship holder has to cover the costs of those services that are provided by a private healthcare provider that has no contractual relation with NEAK.

Citizens of all other countries - who wish to stay in Hungary for more than 1 month - are covered for medical treatment in case of sudden illness by the Hungarian party. This insurance does not cover dentistry services, with the exception of urgent treatments. Health insurance covered by the Hungarian party is only available for scholarship holders under the age of 65.

Scholarship-holders staying in Hungary for less than 1 month are required to make their own arrangements for insurance coverage.

MOBILITY REPORT

Scholarship-holders are required to submit a **professional report within 30 days after finishing their scholarship period in Hungary**. The final report consists of

- a 1-2-page essay summarizing the scholarship period,

Failure to submit the mobility report

In case the scholarship-holder fails to submit the report, he or she will be excluded from further scholarship opportunities and will be required to pay back the scholarship, and the scholarship period will be immediately closed.
